

FACT SHEET G1

Site Analysis, Sustainable Design and Building Materials in Rural and Coastal Areas

About this chapter

Chapter G1: Site Analysis, Sustainable Design and Building Materials in Rural and Coastal Areas is a generic chapter that applies to all development.

It includes provisions related to:

- Energy efficiency and solar access, including BASIX compliance.
- Building materials in rural and environmental areas.
- Site analysis, including examples of detailed site analysis diagrams that are to accompany a development application.

Further information
