

FACT SHEET G3

Landscaping Design Guidelines

About this chapter

Chapter G3: Landscaping Design Guidelines is a generic chapter that relates to landscaping requirements for all development in Shoalhaven.

This is a new chapter based on the existing landscaping provisions of a number of existing Shoalhaven development control plans. Generic landscaping provisions are not contained in generic or area specific chapters of the draft Shoalhaven Development Control Plan 2014 (draft DCP) and are instead located in this chapter for consistency and ease of use.
