

FACT SHEET G4

Removal and Amenity of Trees

About this chapter

Chapter G4: Removal and Amenity of Trees is a generic chapter that relates to tree management in Shoalhaven.

This Chapter will be based on a new development control plan that is currently being completed through a separate exhibition and adoption process resulting from changes arising from the Shoalhaven Local Environmental Plan 2014. The content of this Chapter will not be included in the draft Shoalhaven Development Control Plan 2014 (draft DCP) at this stage. Instead, it will be inserted after a separate adoption process by Council, prior to the finalisation of the draft DCP.
